

Sunday School Happenings

Hello Friends!

Hard to believe it is already March 1 with all of the beautiful weather we have been having! Loving it! The kids have been getting ready for the Palm Sunday Performance. Just a reminder of our time schedule each week:

Sunday School runs from:

10:15-10:30	Music
10:30-11:20	Sunday School
11:10-11:25	For those who are participating in the Liturgical movements, they work on their dance

We will be starting the Red Letter Challenge on March 9th as a whole church. I am looking forward to starting this challenge with our preschool through 6th graders. The Youth Group will be working through the Small Group Red Letter Challenge along with the adult small groups.

All 6th graders and their parent/guardian(s) are invited to take Communion Class with Pastor following the Lenten service. Watch for more details to be coming to you soon!

God's Blessings on you and your family!
